Curadite, Inc. Named TiE50 Award Winner at TiEcon

(Sunnyvale, CA) – May 9, 2019 – _Curadite, Inc_. is excited to announce that it has been selected as a 2019 TiE50 Winner in the prestigious TiE50 Awards Program. This awards competition, now in its tenth year, is a program of TiEcon, the world's largest conference for tech entrepreneurs. _Curadite_ was selected from over 3000 submissions and recognized for its Medication Management Platform, which empowers and supports efforts throughout the healthcare market to improve medication adherence and stem controlled substance diversion and.

"We are incredibly pleased to have been selected as a 2019 TiE50 winner," said Curadite CEO Dennis McNannay. "With Curadite's solution, everyone is a winner. By replacing manual and error prone processes with our IoT-enabled and cloud-based platform, healthcare workers can focus on patient care, and administrators can seamlessly safeguard controlled substances (e.g. opioids). Both market forces and _pending regulatory requirements are forcing the historically technology-resistant long term care market to address controlled substance diversion by modernizing their medication management systems."_

"TiE50 has become a global brand and this year we screened entries from all over the world and from a very diverse set of industries including AI, autonomous vehicles, FinTech, sustainable textiles, medical devices, robotics, fuel cells, networking, healthcare, logistics and security. We screened and selected the TiE50 winners as recognition of the potential of the companies and innovation they are bringing to market. TiE50 program has gained notoriety over the past decade as a competition run with the highest level of integrity and vigorous screening and judging by domain experts," said Kamal Anand, TiE50 Program Chair.

"For over 27 years as a not-for-profit organization dedicated to fostering entrepreneurship and with a global footprint of half million entrepreneurs, enterprise executives, and investment professionals, at TiE Silicon Valley we take pride in the fact that we have created TiE50, a strong 10-year-old brand for recognizing high potential startups," said B.J. Arun, President, TiE Silicon Valley.

About Curadite:

Curadite empowers patients, clinicians, caregivers and family members to work together to improve medication adherence with the support of our intelligently linked, proactive medication management

platform. With Curadite's MMP, healthcare providers and loved ones have tangible evidence that medication is being taken as prescribed. With the addition of data analytics, visualization and alerts, our cloud-based dashboard and reporting system supports healthcare providers.

About Tie50

Now celebrating its tenth year, TiE50 Awards provides a one-of-a-kind showcase for the world's top technology and technology-enabled startups. TiE Silicon Valley's premier annual awards program is keenly contested by thousands of early- to mid-stage startups of all sizes representing a wide range of verticals. Applications are rigorously reviewed by a panel of judges including venture capitalists, angels, successful entrepreneurs, and corporate executives. Since its inception, 84 percent of TiE50 winners and top startups have been funded at a total of over $1 billion. Many of these companies went on to acquisition or IPO with 29 of the exits at over $100 million.

About TiEcon

TiEcon is the world's largest conference for entrepreneurs and intrapreneurs with participation from top technology companies, leading venture capital firms, and global service providers.
